Bath Bed Slide Transfer System

The Bath Bed Slide Transfer System eliminates costly 'roll-in' shower renovations and dangerous bath room transfers in a wet environment. The Bath Bed works with any standard bathtub and the open end rolling chassis utilizes space above the commode. The Bath Bed has a 5 position backrest, 3 position seat and optional 5 position calf extension. Bath Bed offers a tension adjustable backrest and tension adjustable seat. Seat belt is standard. Unit utilizes 5" total lock casters.
